A growing number of people are diagnosed with chronic fatigue syndrome, fibromyalgia and other chronic pain conditions. These patients need effective, noninvasive treatments that don’t aggravate their conditions. This course will provide participants the tools to recognize these conditions and their symptoms and to treat those patients.

The principal treatment will be a blend of Dr. Chikly’s lymph and brain techniques. The lymph techniques will include superficial and deeper lymph, mapping and rerouting techniques and some specific viscera work using a lympho-fascia release approach to viscera. The brain techniques will include brainstem, pons, mesencephalon, etc. Specific sacrum intra- or inter-osseous techniques also will be presented.

By the end of the course, participants will be able to identify several chronic pain conditions; describe the comorbidity, known causes, and differential diagnoses of these conditions; explain the importance of the lymphatic system in addressing these conditions; identify megalymphatics in the thorax; and perform lymphatic techniques to release the liver, spleen and small intestines.

**Continuing Medical Education**
24 credits of NMM-specific AOA Category 1-A CME anticipated.

**Course Times**
Friday and Saturday from 8:30 a.m. to 6 p.m.
Sunday from 8:30 a.m. to 4:30 p.m.

**Meal Information**
Breakfast and lunch will be provided each day. Contact AAO Event Planner Gennie Watts with special dietary needs at (317) 879-1881, ext. 220, or GWatts@academyofosteopathy.org.

**Course Location**
Midwestern University/Arizona College of Osteopathic Medicine
Agave Hall, OMT Lab 101
19555 N. 59th Ave., Glendale, AZ 85308

**Travel Arrangements**
