Muscle energy technique consists of at least six different subtypes of technique all connected by patient cooperation contracting and relaxing muscles when instructed to do so.

It is extremely gentle and versatile and can be used for acute, subacute and chronic musculoskeletal conditions. It can be used by physicians of all sizes, shapes, and strengths, utilizing balance and leverage to control the techniques.

Physicians attending this course will learn how to perform muscle energy technique and learn how to apply these technique to the management of headache, neck pain, acute torticollis, shortness of breath, respiratory pain, low back pain, osteoarthritis of the spine, and a number of other conditions.

* The AAO’s associate members, international affiliates and supporter members are entitled to register at the same fees as full members.

Course Director
Walter C. Ehrenfeuchter, DO, FAAO, has chaired the Department of Osteopathic Manipulative Medicine (OMM) at the Georgia campus of the Philadelphia College of Osteopathic Medicine (PCOM-GA) since 2005.

As a 1979 graduate of the Philadelphia College of Osteopathic Medicine in Pennsylvania (PCOM), Dr. Ehrenfeuchter was the profession’s first resident in OMM. He taught for 17 years in the OMM department at PCOM, and then he operated a private practice for eight years before moving to Georgia.

In 1990, Dr. Ehrenfeuchter became a fellow of the AAO. He is certified by the American Osteopathic Board of Special Proficiency in OMM, and he has taught in North America, Europe and Asia.

In spite of all his years in academia, Dr. Ehrenfeuchter thinks of himself primarily as a clinician, actively involved in patient care, who just happens to teach.

I am a practicing health care professional.
☐ I am a resident or intern.
☐ I am an osteopathic or allopathic medical student.

The AAO accepts check, Visa, MasterCard and Discover payments in U.S. dollars. The AAO does not accept American Express.
