A Pre-Convocation Course • March 18-20, 2018 • Hilton Anatole in Dallas

Course Description
Sometimes referred to as module 1, this introductory course is an excellent starting point on the journey of learning the fascial distortion model (FDM).

Attendees will be introduced to the theory of FDM while focusing on the shoulder, ankle and knee regions. Learn how FDM ties into traditional osteopathic education and expands the toolbox you use to help more patients.

This is an excellent opportunity for physicians just learning about FDM or for physicians who are familiar with it but want to dive a little deeper.

Continuing Medical Education
24 credits of NMM-specific AOA Category 1-A CME anticipated.

Course Times
Sunday through Tuesday from 8 a.m. to 5 p.m.

Meal Information
Breakfast and lunch are on your own. Coffee and tea will be provided.

Course Location
Hilton Anatole Dallas
2201 N. Stemmons Freeway, Dallas, TX 75207
Make hotel reservations now: [physician link], [student link].
To make your reservations by phone, call (214) 748-1200 and provide the group code (AAO for physicians, AAS for students).

Travel Arrangements
Contact Tina Callahan of Globally Yours Travel at (480) 816-3200 or globallyyourstravel@cox.net.

Course Director
Todd A. Capistrant, DO, MHA, earned both his doctor of osteopathic medicine degree and his master in health administration degree in 1997 from the Des Moines (Iowa) University College of Osteopathic Medicine. He is one of only three physicians in the United States who are currently certified to teach seminars on the FDM, and he is the president of the American Fascial Distortion Model Association.

Dr. Capistrant specializes in OMM, and he is certified by the American Board of Family Medicine. He is a member of the growing OMM department at the Tanana Valley Clinic in Fairbanks, Alaska, and he serves as a regional dean for the Pacific Northwest University of Health Sciences, College of Osteopathic Medicine in Yakima, Washington.
