

TRADITIONAL OSTEOPATHIC TECHNIQUES OF CARL PHILIP MCCONNELL, DO

November 12-14, 2021 • Ohio University Heritage College of Osteopathic Medicine

Course Description

This course will explore the traditional osteopathic thought, approach and technique of Carl McConnell, DO, a premier osteopathic clinician who, at the time of his death, was thought to have best understood Dr. Still's teachings.

The course is designed to lead participants through approaches requiring increasing palpatory appreciation for precision, specificity and anatomical localization.

McConnell understood the osteopathic lesion differently than we currently understand it, which greatly influenced his application and choice of technique. Central to his thought was identifying and treating the "key lesion." These concepts will be explored in this experientially driven course.

This is an advanced course intended for experienced clinicians, but all skill levels will benefit from the principles of palpatory precision and discussion of osteopathic philosophy and art. This course has been substantially expanded and updated since it was last offered.

Prerequisite

Registrants must have an understanding of osteopathic manipulative medicine.

Continuing Medical Education

20 credits of AOA Category 1-A CME are anticipated.

Course Times

Friday, November 12, 2021, 8 a.m. to 5:30 p.m.
Saturday, November 13, 2021, 8 a.m. to 5:30 p.m.
Sunday, November 14, 2021, 8 a.m. to 12 p.m.

Course Location

Ohio University Heritage College of Osteopathic Medicine
Dublin, OH

Course Director

Richard G. Schuster, DO

About the Course Director

Richard G. Schuster, DO, is in solo private practice in Indianapolis, doing direct primary care and osteopathic manual medicine.

Dr. Schuster graduated from the Ohio University Heritage College of Osteopathic Medicine in 1994 after completing an undergraduate fellowship in osteopathic principles and practice. He completed a family medicine residency at the Firelands Regional Medical Center in Sandusky, Ohio, and a postdoctoral fellowship in sports medicine at the Toledo Hospital in Ohio.

Dr. Schuster is the 2020-2022 AAO President-elect, member of the AAO's Education Committee, and served as the program chair for the AAO 2015 Convocation.
