Dr. Robert C. Fulford’s Basic Percussion Course
February 14–16, 2014 at TCOM

Course Description and Background:
At Dr. Fulford’s last course in May of 1997, he expressed his desire to leave his ailing body after his scheduled presentation to the Cranial Academy in June. After demonstrating what he was going to present to the Cranial Academy, he asked Dr. Koss (Program Chair) and Dr. Rajiv L. Yadava to continue teaching his work to the Osteopathic profession. Dr. Fulford passed away four days after the Cranial Academy presentation.

This course has been restructured to provide the participant a more complete understanding and experience of Dr. Fulford’s contributions to Osteopathy. Although hand and percussion techniques are included, the course emphasizes increasing the clarity of one’s working knowledge. Based on the participant’s inclinations, there is freedom within the curriculum to change the direction of what information is relayed. Time needed to assimilate what is taught will also be respected.

Prerequisites:
This Level III course is for DOs, MDs, dentists and students with a 40-hour approved Cranial course and/or prior training and experience in Cranial Osteopathy or permission from the program chair.

Course Objectives:
• One will recognize that many of Dr. Fulford’s ideas are rooted in Dr. Still’s and Dr. Sutherland’s teachings;
• One will begin to see that the results realized from the use of the percussor is directly dependent on the osteopath’s understanding;
• One will see that the use of the percussor will save the physician time and energy; and
• One will appreciate that Dr. Fulford gave more to Osteopathy than a new technique.

CME:
22 hours of AOA Category 1-A credit is anticipated

Course Location:
Texas College of Osteopathic Medicine
3500 Camp Bowie Blvd.
Fort Worth, TX 76107
(817) 735-2000
